## WORK EXPERIENCE

### Frontend developer

#### Spirit me

06/2023 - 2023

<https://spiritme.tech/>

##### Achievements/Tasks

- Implemented a cutting-edge video editor and augmented its capabilities with advanced features for AI video generation.
- Significantly optimized the bundle size, achieving a 6-fold reduction of the initial page loading time.
- Introduced a draft system to save unfinished videos, providing users with the flexibility to work on their projects over multiple sessions.
- Completely changed the user interface in 2 days to align it with the latest business demands.
- Integrated the application with the AppSumo app, expanding the user base and enhancing the overall reach of the product.

### Frontend developer

#### cinimex

10/2019 - 01/2023

<https://www.cinimex.ru/>

##### Achievements/Tasks

- Created an application allowing users to configure, view and sign PDF documents.
- Engineered a Node.js app that performed conditional redirects and error message management for a system.
- Developed a personal account for owners of a specific car model (Volkswagen project); that introduced additional 15% of users to the system.
- Debugged and refactored a corporative social network; that initiative increased scalability of the code and optimized it by 10%.
- Designed 10+ pages of a bank application that was used to create accounts for legal entities.
- Delivered 40% of the app, displaying tables of products, allowing users to create, update, delete, filter, and sort data.

## EDUCATION

### Bachelor of Physics

#### MSU

09/2012 - 07/2016

Space physics department

## SKILLS

React.js

Typescript

JavaScript

ES6

Redux

RTK

Git

HTML5

CSS3

material-ui

Scss/Sass

Tailwind

styled-components

Figma

Jest

Java

Node.js

MySQL

Webpack

Storybook

FSD

REST

eslint

prettier

Next.js

MobX

Docker

## PERSONAL PROJECTS

Animated resume page (04/2022 - 05/2022) [🔗](#)

Todo list app (11/2022 - 12/2022) [🔗](#)

## ACHIEVEMENTS

Solved 50+ problems on Leetcode

## LANGUAGES

German

Elementary Proficiency

Hebrew

Elementary Proficiency

English

Full Professional Proficiency

Russian

Native or Bilingual Proficiency

## INTERESTS

Tabletop roleplay games
